

## Information on the "Comprehensive Damage Waiver for High-School Students"

### To Guardians:

Gunma Prefecture High-school Parent's Association  
Gunma Prefecture High-School PTA Federation  
Kenshu Akemine, President

### Recommendation for enrollment in the "Comprehensive Damage Waiver for High-School Students"

This "Comprehensive Damage Waiver for High-School Students" is used by about 16,000 individuals every year as a program established by the Gunma Prefecture High-School PTA Federation.

This program comprehensively covers various risks surrounding high-school students with a relatively low premium, provided many high-school students are enrolled in the program. We strongly recommend that you enroll in this program in order to ensure smooth PTA activities.

For your beloved children, as well as for the further development of PTA activities, we ask for your kind cooperation.

#### Liability coverage for a third-party claim

When your child (the insured) accidentally injures another person, damages another person's property, or disrupts the operation of a train or other transportation by entering the railway tracks by mistake such that you assume legal liability for damages.  
(The belongings of your child are not covered.)

#### Coverage for injury

When your child is injured in an unexpected accident at school, on the way to/from school, or at home. Physical injuries caused by insulation or heat, and those caused by bacterial and viral food poisoning are also covered.

#### Coverage for education costs

If a childrearer dies in a sudden, incidental, external accident, or suffers a certain severe residual disability, which incapacitates his or her support for the student, the educational fund will be paid as lump-sum benefit.

#### Compensation for legal consultation expenses and attorneys' fees

If you consult with or delegate to an attorney for damages or accident incurred by causes or accident, or trouble relating to personal rights infringement during the insurance period, insurance payment will be made for the damages suffered thereby.

# Let's prepare for a “at-fault bicycle accident”!

- ◎ A bicycle accident occurs every four minutes.
- ◎ About 20 percent of traffic accidents involve bicycles.
- ◎ At-fault bicycle accidents occur.

Major causes of bicycle accidents are “failure to confirm safe conditions,” “stop sign violations,” “ignoring traffic lights,” and “collisions with pedestrians on sidewalks.” There are cases of accidents where compensation of several tens of million yen must be paid. Even a minor cannot be absolved of responsibility for compensation.

(Source: Transport statistics 2017 (Traffic Bureau, National Police Agency))

A bicycle is a light vehicle. There are cases where a rider on a bicycle may be responsible for an accident.

**Gunma Prefecture has  
the worst rate  
of high-school student  
bicycle accidents  
nationwide**
